PLEASE NOTE:

We do offer little girls' petticoats. Nothing scratches!!!! The illusion is soft and edged with fabric to prevent sticking to the dresses, stockings or scratching your little princess. They come in two styles:

The half slip is from the waist down and has an elastic waistband; the full slip has a bodice and adjustable straps.

As with all bridal and formal attire, ALL SALES ARE FINAL.

Please ensure your little girl's dress is ordered correctly.

If unsure of size, Donna Mason, CWS, will be glad to assist you in this matter.
